Explanation (optional)

More detailed explanation of relationships and interests (optional)

Full entry for primary position:

Head of Exposure Branch, Chemicals Regulation Directorate, Health & Safety Executive. CRD is the UK competent authority for PPPs, Biocides, and REACH. As head of the Exposure Branch I am responsible for non-dietary human exposure regulatory assessments for biocides and pesticides. In addition CRD is responsible for managing the Department of Environment Food & Rural Affairs' pesticide research programme and I am responsible for providing relevant technical support to that programme.

Additional information:

As a civil servant I provided written statements to a past Judicial Review of the UK Regulatory Authority's approach to bystander and resident risk assessment.
